Un innovativo sistema d'arredo che crea uno spazio di lavoro collaborativo che valorizza l'efficienza dei dipendenti. La protagonista, dal design sofisticato e moderno, è indubbiamente la scrivania, disponibile in sei strutture diverse e completamente personalizzabile combinando i numerosi materiali e i pregiati melaminici della gamma. L'ufficio raggiunge un equilibrio impeccabile risultando piacevole e accogliente, sia per chi opera in postazione singola, che in team, alla reception o al call center.

An innovative furniture system that creates a cooperative work space that enhances employee efficiency. The star player is undoubtedly the desk with its sophisticated and modern design, available with six different structures and fully customisable with the range's numerous combinations of materials and refined melamine surfaces. The office setting achieves an immaculate balance and is both appealing and welcoming for those working at an individual workstation, or in team, in reception or in a call centre.

Un système d'ameublement novateur qui crée un espace de travail collaboratif et qui stimule l'efficacité des salariés. L'acteur principal, au design sophistiqué et moderne, est indubitablement le bureau qui se décline en six structures différentes et entièrement personnalisables, alliant les nombreux matériaux et les mélaminés de qualité supérieure de la gamme. Le bureau atteint un équilibre parfait et devient agréable et accueillant, tant pour le travailleur seul à son poste que pour l'équipe de la réception ou du call center.

Piètement en forme d’anneau

**Moderna e anticonvenzionale.
La struttura con Gamba anello nasce per creare soluzioni d’arredo dalla forte personalità. Si raggiunge la massima libertà di composizione con i numerosi accostamenti disponibili tra i piani in melaminico o in vetro e le finiture della struttura in metallo.**

Modern and unconventional.
The structure with Ring leg was conceived to create design solutions with a powerful personality. The utmost in compositional freedom is achieved with numerous combinations available between the melamine or glass tops and the various metal structure finishes.

Moderne et non conventionnel. La structure à piètement en forme d’anneau permet de créer des solutions d’ameublement à forte personnalité. La liberté de composition maximale est obtenue grâce aux nombreuses associations disponibles entre les plans en mélaminé ou en verre et les finitions de la structure en métal.

Contrasto originale tra la struttura geometrica della gamba in metallo e il piano in melaminico. Una postazione di alta classe.

Original contrast between the geometrical structure of the metal leg and the melamine top. A high-class workstation.

Contraste original entre la structure géométrique du piètement en métal et le plan en mélaminé. Un bureau haut de gamme.

Il minimalismo del metallo trasmette tutta la professionalità sia per ambienti individuali, che per le zone comuni.

The minimalist overtones of the metal convey unbounded professionalism in both individual settings and shared areas.

Le minimalisme du métal transmet tout le professionnalisme tant pour les postes individuels que pour les espaces communs.

Nessun limite compositivo.
La gamba anello si trasforma e diventa condivisa dando vita a un disegno dalla forte caratterizzazione e praticità.

No limit to compositions.
The ring leg changes form and becomes a shared element giving rise to a design which is highly practical and has a powerful character.

Aucune limite de composition.
Le piètement en forme d'anneau se transforme et se partage, créant un design très singulier et pratique.

Infinite soluzioni per l'archiviazione e il contenimento. La linea d'ufficio operativa si completa di cassettiere in metallo e mobili in melaminico con sofisticate finiture.

Infinite solutions for storage and filing. The operative office line is completed with metal drawer pedestals and storage elements in melamine with sophisticated finishes.

Des solutions d'archivage et de rangement infinies. La ligne opérationnelle de bureau est complétée par des caissons en métal et des meubles en mélaminé des finitions raffinées.

Le accoglienti postazioni di lavoro possono essere arricchite da schermi fonoassorbenti e dalla linearità eclettica della gamba anello condivisa.

The welcoming workstations can be enhanced with sound absorbing screens and the eclectic lines of the shared ring leg.

Les postes de travail accueillants peuvent être enrichis par des écrans acoustiques et par la linéarité éclectique du piètement en forme d'anneau partagé.

Il sistema d'appoggio che funge sia da archivio, che da divisorio è la soluzione perfetta per dotare la postazione di privacy e massima funzionalità.

The supporting element which acts as a storage unit and a partition is the perfect solution to provide the workstation with privacy and the utmost in functionality.

Le système d'appui, servant d'archivage ou de séparation, est la solution parfaite pour offrir au poste sa confidentialité et une fonctionnalité maximale.

La struttura perimetrale della scrivania può essere affiancata da mobili di servizio di supporto su piedini, o su ruote per facilitarne la movimentazione.

The perimeter structure of the desk can be accompanied by freestanding service units on legs, or on castors in order to facilitate movement.

La structure périmétrale du bureau peut être soutenue par des meubles de service avec soutien sur pieds ou sur roulettes qui en facilitent le déplacement.

Piètement à U

**Minimal, ma significativa.
Dalla struttura metallica pura ed essenziale della gamba U si genera una postazione lavorativa d'impatto. Libertà di espressione con diverse combinazioni cromatiche e materiche delle superfici. L'ufficio prende vita e risponde a tutti gli impieghi richiesti.**

Minimalist, but significant.
The pure and essential lines of the U leg metal structure generate a workstation with a forceful character. Freedom of expression with different combinations of surface colours and materials. The office comes to life and successfully meets every work requirement.

Minimal, mais significative.
La structure métallique pure et essentielle du piètement à U permet d'obtenir un poste de travail d'impact. Liberté d'expression avec différentes combinaisons chromatiques et matérielles des surfaces. Le bureau prend vie et répond à toutes les utilisations demandées.

La possibilità di scelta tra piano di lavoro in melaminico o vetro caratterizza l'ambiente ufficio con due stili completamente diversi.

The choice of work surfaces in melamine or glass is a feature of this office environment with two completely different styles.

La possibilité de choisir entre un plateau en mélaminé ou un plateau en verre caractérise l'environnement professionnel avec deux styles complètement différents.

Il tavolo quadrato riformula la tradizionale sala riunione; dimensioni ottimali per ricavare un'area meeting nello spazio condiviso con le postazioni operative.

The square table redesigns the traditional meeting room; optimum dimensions to create a meeting area in the space shared with the operative workstations.

La table carrée redéfinit la salle de réunion traditionnelle avec ses dimensions optimales pour créer une zone de réunion dans l'espace partagé avec les bureaux opérationnels.

DESIGN

Scegliere un mobile di servizio di supporto al piano di lavoro è il giusto compromesso tra funzionalità e uno spazio ridotto; la componibilità dei moduli consente di individuare la soluzione più adatta alle proprie esigenze.

Choosing a service furniture unit supporting the worktop is the right compromise between functionality and optimization of space; the system modularity allows you to find the solution that best suits your needs.

Choisir un meuble de service comme soutien d'un plateau est le juste compromis entre fonctionnalité et espace réduit. De plus, la flexibilité des modules permet d'identifier la solution la plus adaptée aux différents besoins.

Le postazioni bench permettono di ospitare capienti mobili di servizio, freestanding o portanti, posizionandoli sotto il piano di lavoro.

Workbench solutions allow you to accommodate spacious, free-standing or supporting service units, placed under the worktop.

Les postes bench permettent d'installer de grands meubles de service, porteurs ou indépentants, en les disposant sous le plan de travail.

Totale condivisione degli spazi e massima libertà di movimento grazie alla componibilità delle postazioni di lavoro frontali con gamba U condivisa e gamba anello centrale.

Total space sharing and maximum freedom of movement thanks to the modularity of front to front workstations with shared U leg and a central ring leg.

Partage total des espaces et liberté de mouvement maximale grâce à la modularité des postes de travail frontaux avec piètement à U partagé et à piètement en forme d'anneau central.

Gli schermi divisori in melaminico risultano indispensabili per conferire il giusto livello di privacy a postazioni di lavoro contrapposte.

The melamine partition screens are essential to give the right level of privacy to front to front workstations.

Les écrans de séparation en mélaminé sont indispensables pour offrir le niveau de confidentialité adéquat aux postes de travail opposés.

Le diverse combinazioni cromatiche delle finiture catturano lo sguardo e vivacizzano i contenitori modulari Lockers in modo accattivante.

The various colour combinations of the finishes are eye-catching, adding a visually appealing liveliness to the Lockers modular storage units.

Les différentes combinaisons chromatiques des finitions attirent le regard et dynamisent les modules Lockers de manière captivante.

I mobili filo piano si integrano alla scrivania fungendo sia da pratici contenitori che da moduli a giorno ideali per suddividere le postazioni; connubio ottimale di archiviazione e privacy.

The desk height units fit in excellently with the desk, providing practical storage units and open shelving creating useful partitions; an ideal combination of personal storage and privacy.

Les meubles hauteur bureau s'intègrent au bureau en tant que meubles de rangement pratiques ou modules à jour, parfaits pour diviser les postes, dans une fusion optimale de l'archivage et du respect de la vie privée.

Ambienti ufficio completi e funzionali grazie alla possibilità di combinare scrivanie, contenitori e tavoli riunione con finiture e materiali diversi ma del tutto abbinabili.

Perfectly functional office environments thanks to the possibility of combining desks, storage units and meeting tables with various, fully matching finishes and materials.

Espaces de bureau complets et fonctionnels grâce à la possibilité de combiner des bureaux, des meubles de rangement et des tables de réunion avec des finitions et des matériaux divers, mais entièrement associables.

La gamba U propone numerose soluzioni per lo spazio riunione, tutte caratterizzate da linee rigorose e pulite in grado di valorizzare l'ambiente.

The U leg structure offers several solutions for the meeting area, all featuring clean, rigorous lines that can greatly enhance the environment.

Le piètement à U offre de nombreuses solutions pour l'espace réunion, toutes caractérisées par des lignes rigoureuses et nettes, permettant de mettre l'environnement en valeur.

L'estensione longitudinale di bench e scrivanie in appoggio su mobili di servizio dà forma a composizioni dinamiche, creando ambienti di lavoro funzionali e confortevoli.

The longitudinal extension of the work bench and desks connected to the service units gives shape to dynamic compositions, creating functional and comfortable work environments.
